PROFESSIONAL PROFILE

Competent and dedicated Internal Medicine Specialist from Paraguay with extensive experience in intensive care and the clinical management of critically ill patients. Currently preparing for the medical German language exam (Fachsprachprüfung - FSP) in Germany, having successfully passed the B2 language certificate. Proactive, adaptable, and highly motivated to bring my clinical expertise and commitment as a resident / staff physician to the German healthcare system.

CLINICAL FOCUS / SKILLS

- Ventilation management (invasive and non-invasive)
- Ultrasound-guided vascular access (Central Venous Catheter, arterial access)
- Endotracheal intubation and airway management
- Advanced Cardiovascular Life Support (ACLS / ALS)
- Hemodynamic monitoring and catecholamine therapy

PROFESSIONAL EXPERIENCE (MEDICAL ACTIVITY POST-LICENSURE)
